

ProFusor™ / Q'Fusor™ / MetroFusor™ / DST-R™

Real-World Acoustics™

USER GUIDE

Thank you for purchasing **Auralex® ProFusor/Q'Fusor/MetroFusor/DST-R!**

These are highly effective acoustic diffusion devices that can be easily wall or ceiling mounted. The **ProFusor/Q'Fusor/MetroFusor & DST-R** can be mounted with the **Auralex EZ-Stick Pro™** peel & stick tabs or **Tubetak Pro™ liquid adhesive** (not included).

Be advised that the **EZ-Stick Pro Tabs** and **Tubetak Pro** are designed for permanent installations and will damage drywall and painted surfaces when removed.

NOTE: EZ-Stick Pro Tabs are included with **ProFusors** only.

See your **Authorized Auralex dealer** for details.

ProFusor™ / Q'Fusor™ / MetroFusor™ / DST-R™ User Guide

Mark the target position on your wall or ceiling where the panel will be mounted using small pencil marks, pieces of masking tape or any similar method. It is recommended to clean the wall surface with rubbing alcohol to remove any dirt, dust or any other oily contaminants before applying **EZ-Stick Pro Tabs** or **TubeTak Pro**.

If using **EZ-Stick Pro Tabs**, remove one of the release layers on the **EZ-Stick Pro Tabs** and affix it to the rear side of the panel near the edge, usually near the corners. Then remove the second layer of release paper from each of the **EZ-Stick Pro Tabs**, carefully orient the position prior to contact with the wall, then press in place with moderate pressure. If using **TubeTak Pro**, follow installation instructions included with the adhesive.
